INTERESTING ITEMS FROM EL VERANO AND SONOMA.

Weekly Record of all the Happenings in the Valley as Faithfully Recorded by Our Wide-Awake Reporter, " Archie McKiver."

Roadmaster Serres motored to the City of Roses Monday.

John Lounibos transacted business in Santa Rosa Monday.

Leon Mouyer of Berkeley made his usual home visit Sunday.

Edwin Faithful, spent Saturday and Sunday in the metropolis.

Harold Peterson transacted business in Petaluma last Saturday.

Miss Angelina Forni is spending the week with Bay City relatives.

John Vincent and son, Emile, were in the city several days last week.

Attorney Poppe of Sonoma made his usual trip to the county seat Monday.

Mr. and Mrs. N. Dowdall and family are spending the week at Dillons Beach.

Jim Albertson, the popular Marshal of Sonoma, was in town one day last week.

Aldon Childs of the Exposition City is spending the week at the home of Mrs. F. Kenny.

Geo. Mizue, Jap foreman on the Bigelow ranch, spent the first of the week in the metropolis.

Ollie Johnson is busy this week shipping several carloads of fruit to San Francisco via the S. P.

Frank LaFranchi and Chas. Stornetti took in the Swiss picnic at Schutzen Park last Sunday.

Jim Modini and Bill Russell of Sonoma were interested spectators at the ball game Sunday at Boyes.

Ken Weaver, the contractor, is busy handling a number of contracts in different parts of the valley.

Archie Gale, our contractor and builder, has completed moving the Henry Norrbom cottage on Riverside avenue.

Charles Cowan, well-known in Y. M. I. circles in San Francisco, was here Sunday renewing old acquaintances.

Billy Fowler, well-known Sonoma baker, passed through town Sunday in a rubber tire rig and a charming summer girl.

A large crowd of the German Society of San Francisco held its annual picnic at Oak Grove Resort Sunday. A brass band accompanied the picnickers, and all had a fine time.

A large number of Sonoma Valley's most prominent citizens were in Santa Rosa last Tuesday to appear before the Board of Supervisors in regard to the Black Point cut-off.

A large number of the Haraszthy family from Oakland and Vallejo, who attended the funeral of Mr. N Haraszthy, departed for their respective homes on Saturday afternoon's S. P. train.

Joe Haden, mayor of El Verano, is contemplating holding a moonlight picnic at the haunted house on the eastern foothills in the near future. The writer will give particulars later.

Supervisor Harry Weise is about the only Supervisor we have ever had that closed a road house when charges were brought against it. This speaks well for Mr. Weise and the voters are loud in their praises.

We believe that Guy J. K. Bigelow will not seek to recall any more of the county officials after the Kilgore-Weise set to. Somebody is going to be sick and it wont be Weise.

J. Peterson of Boyes was arrested the latter part of last week for running a blind pig. This is the second time that he has been pulled in for the same offense, Deputy Sheriff Joe Ryan making both arrests.

Supervisor Harry Weise of Glen Ellen was here for a short time Saturday. Mr. Weise has a number of friends and supporters here who will see that he carries this precinct by a large majority at the coming election.

J. Vincent has purchased two lots near his butcher shop. Mr. Vincent thinks it is far better to invest his "kale" in real estate than to give it to the poundmaster. He is building a fence around the property this week and will use it for pasture purposes.

Louie Kearney took in the ball game at Santa Rosa Sunday.

R. C. Chance and Henry Norrbom motored to Santa Rosa last Tuesday.

The El Verano Grammar School opens next Monday after a two months vacation.

D. W. Corbin was one of the many boosters who went to Santa Rosa last Tuesday.

C. Barron of San Francisco was a guest at Paul's resort, Verano, the latter part of last week.

Bill Hill, mixologist at Boyes Springs club house, was in town one day last week in his new Hupmobile. Bill is loud in his praise for the new vehicle and says he makes them all take the dust with his new speed burner. Some class to that buzz wagon.

Well, we see where the half wet and half dry man of our burg has signed the recall petition. When the writer several weeks ago referred to him in this manner he was highly insulted and was looking for Archie McKiver vowing vengeance. You may depend that whatever the El Verano correspondent sends to the Index-Tribune it is generally straight and this incident proves it.

Mrs. Rose Price of Los Angeles is a guest at the Block residence.

Mrs. Couts of Kenwood visited at the Block residence the fore part of the week.

President James Baines of the El Verano Development Association transacted business in San Francisco last week.

Miss Myrtle Brown, a charming young San Francisco belle, after spending several weeks a guest at the Bellevue Hotel, returned home last Saturday.

Bill Ping of Glen Ellen was one of the many rooters for that team last Sunday at Boyes. Bill hollered his head off but didn't win the game.

Geo. Breitenbach, well-known and popular harness maker of Sonoma, was here for a short visit last Saturday. His many friends were glad to see him.

El Verano was a dead town Tuesday. Almost everyone was in Santa Rosa boosting for the Black Point Bridge. Every automobile in Sonoma Valley was in use to carry the boosters to the county seat.

Last Saturday afternoon as Chris Thompson, well-known in Police Court circles, was buisly engaged away up in an old oak tree sawing off a huge limb and warning all who happened to pass under it to look out. he actually forgot to get off the limb and down he came with it, about forty feet to terra firma, rendering him unconscious. A number of neighbors gathered around the old oak tree and took Mr. Thompson home, who at this writing is badly bruised, but still in the ring. Mr. Thompson is the Santa Claus of El Verrano and will be laid up for ninety days. He was in quest of a honey bee.

One would hardly know that there was a recall election coming off. It is a scheme gotten up to oust Supervisor Weise by one who is sore because he could not handle him. He has done nothing but what was right, and the rescinding of the obnoxious resolution of February 7th was not the doings of the Supervisors but was brought about by a large petition signed by many of the most prominent citizens of Sonoma Valley which petition is still on file at Santa Rosa. The Bigelow paper never mentions this petition when referring to the recall election. It is probably that Bigelow thinks the supervisors should listen to him and not to the voters of their districts.

STONE BRIDGE FOR EMBARCADERO

Supervisors Award Contract to J. B. Newman for $5,200 for Fridge to Span Sonoma Creek.

At Tuesday's session of the Board of Supervisors James B. Newman of Napa was awarded the contract for building a stone bridge across Sonoma creek at Embarcadero for $5,200.

The adoption by the Board of Supervisors of the plans for a stone bridge instead of iron, etc., means much toward the encouragement of home industry. The rock for the bridge will be quarried in this valley by local labor and will be erected by home mechanics. This will keep the money that enters into the cost of the structure almost entirely at home and what is more the taxpayers will get a more substantial and lasting bridge for the money expended in its constuction.

Congregational Church August 10, 1913.

Morning worship at 11 a. m.

It is commonly accepted that we have five senses but science thinks differently. No matter about that men live them all and declare what they can touch, taste, smell, see and feel are the things to live by, but they fool themselves. The men who take this position are the most superstitious. The governing part of our lives is the unseen and by this we ought to be controlled. This is what I want to make clear Sunday morning.

Santa Rosa will hold a Christian Endeavor convention on Sunday afternoon Paul Brown will be there and we are invited.

Evening worship at 8 p. m.

True preaching is helpful. It shows how to live. It puts dignity into life, no matter what your life may be, it is the material God put into your hands, out of which you are to make a crown of life eternal. No man ever tried to run a business the way he tried to live. You know your business. I know the teaching of Jesus. Let us get together and I will put you wise where dividends are great.

T. M. PRICE, Pastor.

Arrested for Running Blind Pig

J. Peterson of Peterson's resort, opposite Boyes baseball park, was arrested on Friday of last week for selling liquor without a license. The evidence against the accused was conclusive and when he appeared before Justice Campbell in the afternoon he was released from custody upon a $250 bail bond given by A. Pinelli and R. Cantoni to answer the charge. As this was Peterson's second offense the charge is a very serious one, and he now faces a fine of possibly $500 and six months in jail, if found guilty.

Library News Notes

Mrs. G. H. Hotz has very kindly presented the Sonoma Public Library with a handsome eight-day clock in golden oak, which will be very much appreciated by all for its great usefulness.

Miss Marie Basse of Bremen, Germany, cousin of F. T. Duhring, before leaving for her home in Germany, left a sum of money to be used for purchasing something for the new library when completed. That time having arrived a beautiful brass jardiniere and tabaret have been purchased for the same and now adorn the library.

These gifts of kind friends are very much appreciated as they all add so much to the attractiveness of our library.

Figuring Horse-Power of Automobile Engines

To find the horse-power of your motor-car, square the diameter of the cylinder, multiply it by the number of cylinders, and divide it by 2½.

"That is the rule adopted by the Society of Automobile Engineers. It is not absolutely accurate but it is approximately so, at a definite piston speed, and it is at least as fair for one maker as for another.

"While we are interested in this computation, still the Hudson cars are not rated according to any arbitrary formula. We test Hudson engines on a dynamometer, which gives readings showing actual brake horse-power. The motor of the "54," a Six-Cylinder car develops 57.8 horse-power at 1,500 revolutions per minute. At a little higher engine speed it shows 65 horse-power.

"It is hardly fair therefore to any of the modern efficient motor-cars to use the standard S. A. E. rating. Efforts are being made to secure a more accurate formula, and it is likely that this will be accomplished. Practically all motors are now made with the long stroke. This affects very much the accuracy of the standard rating."

A Fool Query and a Fool's Answer

Peeved over the influence yielded by the El Verano Development Association, one of the leading civic bodies in this valley, of which he is not a member now or never could be, Bigelow, managing editor of the Expositor intimates in his issue of last Tuesday that no business men in the Sonoma Valley were interested in the Black Point Cut-off. This intimation was made in the form of a query and answer as follows: "Why is it no business men in this valley seem to be interested in this road?" Answer—"This we cannot answer."

Now, what do you think of that for a fool query and a fool answer. Still Bigelow, who knew when he penned the above fling at the Black Point Cut-off, that the proposition had the unanimous support of every business man in the Sonoma Valley, and we challenge him to name one business man in this valley who is not in hearty accord with the El Verano Development Association in its landable undertaking to carry out a public improvement that means so much for the future wealth and prosperity of this section of Sonoma county.

The Overhauling of the Sonoma Valley Mail Service

A dispatch from Washington under date of the 6th inst. conveys the welcome intellegence that Postmaster General Burleson has ordered an investigation into the mail service of Sonoma Valley with the object of improving it. This is a matter that has long been deferred and ought to have received the attention of the postal authorities in Washington long ago. The service throughout the valley is most peculiar, and really needs overhauling.

Managing Editor Bigelow and Black Point Cut-Off.

Notwithstanding the efforts of "managing editor" Bigelow and his Expositor newspaper to throw cold water on the El Verano Development Association and the Black Point Cut-off project, this great and beneficial improvement is bound to go through, as it has received the endorsement of not only the Board of Supervisors of Sonoma county, but that of Marin county as well.

It were probably just as well that Bigelow and his disreputable sheet were opposed to the whole business for we fear that had the Black Point Cut-off been endorsed by the agitator and mischief maker the El Verano Development Association would have had its pains for nothing. Bigelow, who was never known to finish anything that he started in to do, would surely have hoodoed the proposition. In other words the support of the Expositor is not desirable to carry out any proposition, as such support has always been found to be more harmful than beneficial.

BLACK POINT CUT-OFF BOOSTERS WIN OUT

Not to be Denied the El Verano Development Association Secures Necessary Appropriation to Make the Cut-Off an Assured Fact

The Black Point cut-off boosters of Sonoma Valley swooped down upon the Board of Supervisors of Sonoma County last Tuesday morning and carried everything before them, thanks to the efforts of the El Verano Development Association and its energetic president, James Baines, and Supervisor Harry Weise, who stands for substantial progress and improvements first, last and all the time, notwithstanding one J. K. Bigelow is trying to recall him because he could not program him against just such propositions as the Black Point cut-off, which is destined to be the making of this valley and other sections in this, Marin and Napa counties.

Fifty auto loads of boosters left this city between 8 and 9 o'clock Tuesday morning en route to Santa Rosa to present the petition of seven hundred taxpayers asking that the Board of Supervisors pledge Sonoma County to appropriate not less than $15,000 toward the great undertaking.

Mayor M. E. Cummings of this city and James Baines, president of the El Verano Development Association, were the spokesmen of the boosters and addressed the Board as also did Dr. A. M. Thomson, Fred. T. Duhring and other citizens of this valley. The delegation of boosters were met at the court house by President John Rinner, of the Chamber of Commerce of Santa Rosa, and the committee named by him, composed of John P. Overton, Charles O. Dunbar, Charles D. Barnett, Wm. H. Rohrer, D. H. Lafferty, J. Elmer Mobley, Herbert W. Slater, C. C. Donovan, Edson C. Merritt, Walter F. Price, Henry D. Noonan and C. C. Beldon.

Supervisors hall filled up rapidly and standing room was at a premium. It was a large and representative gathering from the southern part of the county and it presages the development that will come when the bridge is built across Petaluma creek at Black Point. As one of the gentlemen from Sonoma put it: "When we get the bridge, watch Sonoma and the Sonoma Valley grow."

Chairman Patteson, of the Board of Supervisors, called the assemblage to order and introduced President John Rinner, of the Santa Rosa Chamber of Commerce who said a few kindly words of greeting. He in turn introduced Assemblyman Slater to deliver an address of welcome to the visitors. Mr. Slater assured the delegation from the southern part of the county that the county as a whole was allied with them in their effort to bring about what was a great step in the future development, not only of the Sonoma Valley section of the County of Sonoma but of the contiguous territory. He congratulated the Sonoma Valley people in the untiring zeal they had displayed in bringing to what all hoped would be a successful issue, namely, the construction of the Black Point bridge and the road connected with it.

Mayor M. E. Cummings of Sonoma, selected by the boosters as their chairman, was the next speaker, and he briefly outlined the good that would be derived from the building of the cut-off bridge at Black Point. He spoke of the advantages that would accrue not only to the Sonoma section but to the whole county and to the adjoining counties. He mentioned the largely signed petitions that had been presented to the supervisors, containing the names of hundreds of taxpayers. Hundreds of additional names could have been secured, he said if voters had been asked to sign, but the committee considered that the taxpayers should be asked to support the movement. He thanked the board for the kindly interest taken in the matter. Mr. Cummings was given a hearty round of applause.

Dr. A. M. Thomson of this city was introduced by Mayor Cummings. The doctor has taken a very keen interest in the promotion of the cutoff for many weeks. He spoke briefly and to the point paying further tribute to the sentiment of progress that had been voiced as sure to follow from the provision of better facilities for travel. Dr. Thomson also received a nice compliment in applause.

"Sonoma asks you to put her on the map," declared the next speaker, Fred T. Duhring, of Sonoma. Mr. Duhring made an enthusiastic address with the right ring to it. He, too, dwelt upon the need and benefit of the proposed bridge and road. Applause greeted his remarks.

Equally enthusiastic and equally productive of applause were the words spoken by President James Baines of the El Verano Development Association.

At the conclusion of the speech-making Supervisor Weise presented the following resolution which was unanimously carried:

"Whereas, An effort is being made by the people in Marin, Sonoma and Napa counties to establish a good graded road directly connecting Sonoma Valley with the main road leading from Sonoma county to San Francisco by Black Point; and

"Whereas, The establishment of such proposed highway would be of great benefit to Sonoma county as well as to all sections affected thereby, and

"Whereas, The completion of such highway will require the construction of a bridge across Petaluma creek and over the dividing line of Sonoma and Marin counties; therefore be it

"Resolved, that on procuring a proper right of way for said highway and satisfactory assurances that such highway will be suitably graded and rocked or graveled and otherweise completed, Sonoma county will expend not less than $15,000 out of the general fund toward the construction of said bridge."

The passage of this resolution was greeted with wild enthusiasm by the boosters from Sonoma Valley, after which they left the Supervisor's room and prepared to make an auto trip to San Rafael to wait upon the Board of Supervisors of Marin county to ask for a similar appropriation.

A start for the county seat of Marin County was made at 12 o'clock, and the boosters were met several miles this side of San Rafael by a delegation of citizens who escorted them into that city and tendered them the hospitalities of the Chamber of Commerce and other civic bodies. After being wined and dined the Sonoma Valley boosters were escorted to the Marin county court house to present their claims to the Board of Supervisors of that county. Speeches were made by President James Baines, Dr. Thomson, F. T. Duhring and others, urging a $15,000 appropriation from Marin county for a joint bridge across Petaluma creek near Black Point.

The Supervisors of Marin county after listening to the arguments of the boosters pledged their support to the undertaking and passed a resolution to confer with the Supervisors of Sonoma County in regard to the matter. This resolution, while it did not specify any particular sum, pledged the support of Marin county to the building of the bridge and the cut-off road.

This action on the part of the Marin Supervisors elicited cheers from the boosters from Sonoma, as it presaged the success of the undertaking without a question of doubt. Take it from us Marin county will come through just as Sonoma county has done and which Napa County will do when appealed to to do its share toward this great public improvement.

Hay Market.

Somer's & Co., in their weekly bulletin, report the hay market for the past week as follows:

"Receipts of hay for the past week have been very heavy, 5955 tons coming to market, which are the heaviest arrivals of the season. Prices for some grades of hay are lower and the general market is weak with the exception of fancy wheat hay in light bales and fancy red oat hay which continues in light supply. Local trade is quiet and the general hay situation as far as the marketing of hay goes is about the same as existed a week ago.

"There seems to be more of a movement on the part of the farmers to sell their hay and concessions in price are being made by many in order to move their crop. There is no general movement on the part of any operators to buy hay for storage purposes, although there is an occasional lot purchased and stored for further use. The lack of speculative buying may be due to several causes, in the first place, the money situation, again the possibility of loss on account of the present high prices which exist and the fact that it is generaly conceded that the future of the hay market depends almost wholly upon the weather conditions during the coming fall and winter. Early rains will provide an abundance of grain feed which decreases the consumption of hay and has a tendency to lower prices.

"Alfalfa is being offered rather freely from the interior, although the consumption continues heavy in districts where the grain hay crop was light.

Painful Accident.

D. Volquardsen, the well-known well-borer, while sinking a well at Agua Caliente met with a very painful accident last Thursday, which will lay him up for some little time with a crippled foot. It appears Mr. Volquardsen was swinging a twenty-pound sledge hammer, when it flew off the handle and struck him on the left foot, smashing all his toes in a dreadful manner. Dr. Leix, who attended the sufferer, expects no serious results from the injury unless blood poisoning sets in.

At a recent sale of blooded stock held in Petaluma M. Lornegan of this city purchased "Telltale" for $375 and "Belle," a three year old, for $292.50.

Liquor Ordinance to be Amended Soon.

The district attorney is busy preparing an ordinance that will act as an amendment to the existing ordinance governing the saloons and dance halls in the county. The amendment is to make it difficult for any dance hall to be run in connection with a saloon anywhere in the county, and will probably provide that no dance hall shall be maintained on the same floor as the bar room, unless it is considerable distance away.

The matter came up in the decision of the Supervisors in the La Franchi liquor license. A protest was filed against the granting of the license to La Franchi of Monte Rio. The protest was denied after a lengthy hearing. The petition to unite the Copeland and Eagle school districts into one district was taken under advisement by the Board. The most of the session was spent in auditing biils.

Death of an Unknown Man.

An unknown man was found in a dying condition lying in a small ditch between El Verano Villa and the railroad depot last Thursday afternoon. Before medical assistance arrived he gasped and died. The man was a German about 60 years of age and from postal cards found upon him is supposed to be either Geo. Brown or C. Martin of Oakland. An inquest held by Coroner Blackburn developed the fact that deceased died from natural causes but the inquisition failed to develop the man's identity. The remains now lie in Bates' undertaking parlors and if not claimed today will be buried among the unknown dead in Sonoma's potter field.

Call on or write me and I will convince the most skeptical that Varicocele, Stricture and also Hydrocele can be cured in five days, and in a larger majority of cases, in one treatment, pain ceases, swelling subsides or abstructions removed, circulation is rapidly re-established, the cure is permanent, this I guarantee, and cured to stay cured.

Young, Middle-Age and Old Men

"Run down," "self-wrecked," nervous and debilitated men, you may be lacking in the power of manhood. If so, I will restore to you the snap, vim and vigor of vitality, the loss of which may be the result of indiscretions, excesses and unnatural weakness.

KIDNEY, BLADDER, URINARY and PROSTATE TROUBLES Cured to Stay Cured. Newly Contracted and Chronic Cases Cured, all Burning, Itching and Inflammation Stopped in 24 hours, and all Catarrhal, Chronic Disorders of Men and Women Successfully Treated. Piles and Fistula Cured in Five Days.

FREE CONSULTATION, EXAMINATION AND ADVICE You are under no obligations to take treatment unless our charges and terms are satisfactory. Medicine sent everywhere in plain wrapper. All mail in plain envelope. Nothing sent c. o. d. unless ordered.

CALL OR WRITE—No detention from business. Treatment and advice confidential. Hours 9 a. m. to 3 p. m. Sunday 9 to 1. If you can not call, fill out the following coupon:

Dr. NAT KING, 832 Market St., San Francisco, Cal.

I cannot call, so send me Question Chart and your medical book on diseases of men, as I desire to describe my case to you for the purpose of taking treatment. If I decide you can cure me and your charge is low enough to suit and if we can mutually arrange terms and methods of taking treatment, with the understanding that consultation, examination and advice is Free.
